

**Results of Faye Hoppitt 50m Sprint competition June 22<sup>nd</sup> 2024**  
**Held at the Doone Kennedy Hobart Aquatic Centre**  
**Hosted by Tasmanian Finswimming**

Two competition records were broken at this meet. Andres Escobar broke the record for 25-34 years, in a time of 21.97 just .17 of a second faster than the 1998 time held by Richard Lane.

Budding future champion, Oscar Lumley broke the record for boys 9yrs in a time of 34.36. The previous record of 35.63, held by James Wilkes since 2002.

It was great to see a few beginners taking part and using the competition as a learning experience. Competitors were ranged in ages from 6yrs of age to 74yrs of age.
